## Employee Spotlight

### Holiday Fund Presentation 2022

Be sure to save the afternoon of Friday, Dec. 9, at 2:00 p.m. to witness the presentation of checks to Villa's hardworking hourly employees. All residents are welcome to attend, but seating will be limited to just inside the Chapel.

The remaining residents whom are wishing to watch the event can do so by tuning in to Channels 96 or 95.1.

This event, which has been the best attended activity at VSA for years, we will try to follow past format, handing checks out by department.

This year's reception will be held once again in the Cantina after the presentation.

We as a community have been through a very rough last few years, but slowly we have gotten back to normalcy. It has been these staff members who prepare your meals, clean your apartments, help you to activities and overall care for you, who have done their best to make these challenging times the best that they can be. We are happy to celebrate them with all of you.

## Activities

### Villa De San Antonio Library Fundraiser

The Library has decided to have another small fundraiser aimed at collecting funds to help buy books that are on the Best Seller Lists. ### The Young & Seasoned

Pat Witta and Jackson Flummer have performed previously at Villa de San Antonio, they are anxious to share their musical talent again through a music ministry called "The Young and The Seasoned". They pray that their performance and sharing a word of love will be a blessing to those residents who choose to attend.

**Thursday, December 8, at 11:00 a.m. in the Multi-Purpose Room.**

## Armchair Astronomy: Comets in History

This program tells the story of people & events changed by comets. Long considered omens of disaster and signs from God (but also regarded as the cause of unusually good French wine!), comets carry an amazing history of unusual beliefs, strange effects, rich art subjects, and varied folklore. They've been blamed for wars, plagues, fires, earthquakes, the destruction of Pompeii by the eruption of Mt. Vesuvius, the Black Death, and even the fall of the Alamo! **Thursday, December 15, at 11:00 AM in the Multi-Purpose Room.**
