

## PRAYER TO ST. ANTHONY OF PADUA

*O dear Saint Anthony, here I am before you.  
I come to pray moved by my need and  
trust in your compassionate goodness  
that everyone knows how it consoles.  
Hear, my intercessor before God,  
speak for my name to the Father  
of mercy, and obtain the grace  
which I particularly need.*

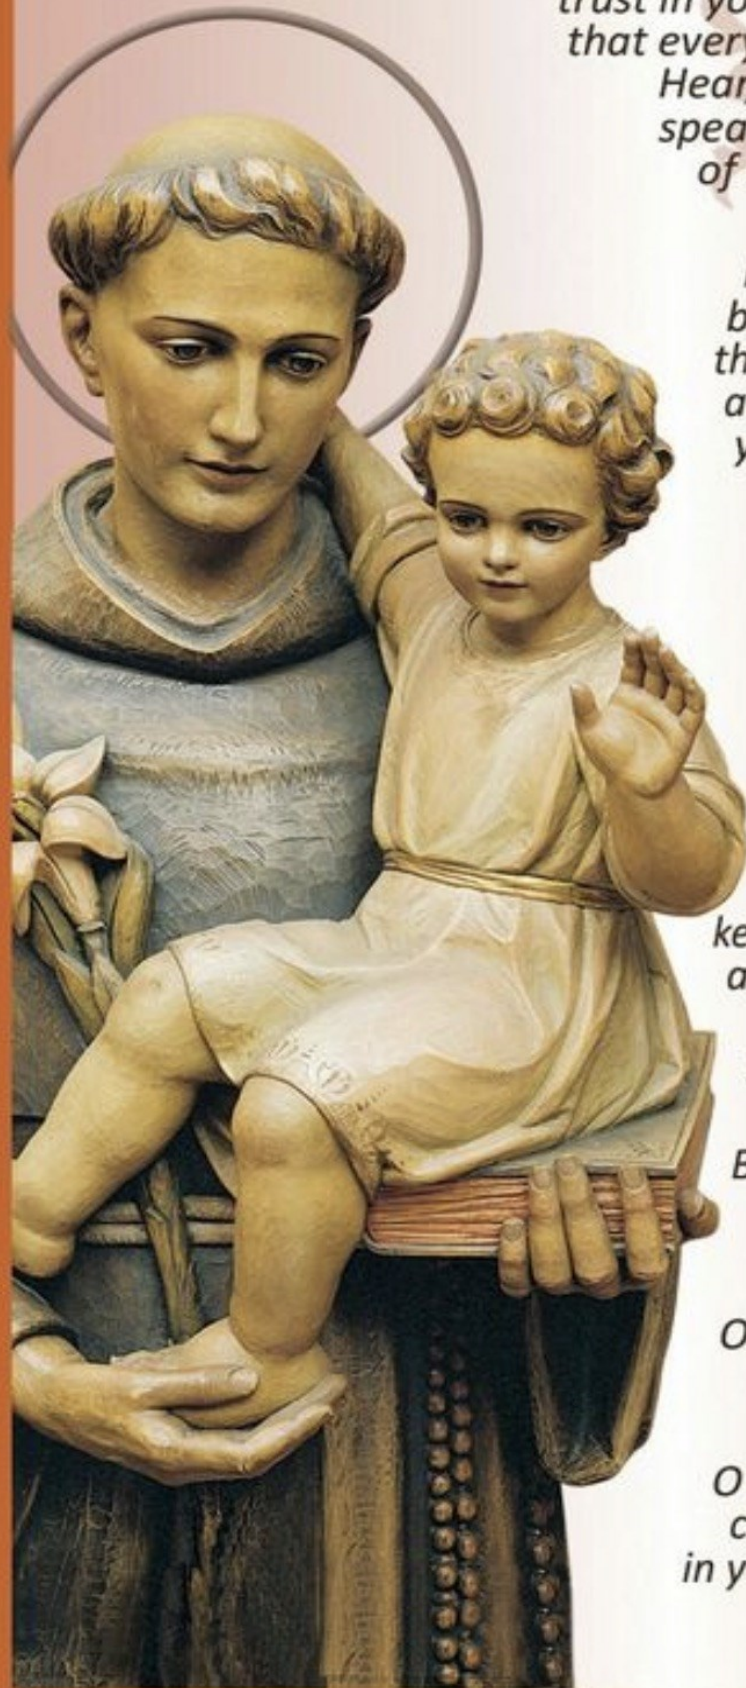

*I know that my faith is weak  
but you, who have possessed  
this virtue in an admirable way  
and that faith was stirred with  
your preaching in the crowd,  
revive that faith in me and  
make it stronger and purer;  
You who have taken an  
Evangelical life, help me to  
make mine to be more  
Christian, in a way of being  
worthy child of the Father  
who is in the heavens.*

*O Saint Anthony, come with  
your help in my weakness;  
keep me away from every illness  
and danger of soul and body;  
help me always to have  
faith in God, especially in the  
moments of trial and pain.*

*Bless my work, my family, your  
devotees throughout  
the world and those who are  
here spiritually present.  
Obtain for us the goodness of  
heart towards the poor and  
those who suffer.*

*O my protector, answer to the  
confidence that I always place  
in your intercession before God.*

Anthony or Antony of Padua (Italian: Antonio di Padova) or Anthony of Lisbon (Portuguese: António de Lisboa; born Fernando Martins de Bulhões; 15 August 1195 – 13 June 1231, was a Portuguese Catholic priest and friar of the Franciscan Order. He was born and raised by a wealthy family in Lisbon, Portugal, and died in Padua, Italy. Noted by his contemporaries for his powerful preaching, expert knowledge of scripture, and undying love and devotion to the poor and the sick, he was one of the most quickly canonized saints in church history. He was proclaimed a Doctor of the Church on 16 January 1946. He is the patron saint of lost things and is also the namesake of our City and our lovely chapel here at Villa de San Antonio.
