

OUR COVER STORY

The Visitation is the visit of Mary to her cousin Elizabeth as recorded in the Gospel of Luke, Luke 1:39–56. It is also the name of a Christian feast day commemorating this visit, celebrated on 31 May in the West (2 July in calendars of the 1263–1969 period, and in the modern regional calendar of some countries whose bishops' conferences wanted to retain the original date, notably Germany and Slovakia) and 30 March among Eastern Christians. The episode is one of the standard scenes shown in cycles of the Life of the Virgin in art, and sometimes in larger cycles of the Life of Christ.

As Pope Benedict XVI said, this feast day is a day to recognize Mary's humility and willingness to be used by God, and strive to imitate it in our own lives:

“Going beyond the surface, Mary “sees” the work of God in history with the eyes of faith... Her Magnificat, at the distance of centuries and millennia, remains the truest and most profound interpretation of history, while the interpretations of so many of this world's wise have been belied by events in the course of the centuries...

Let us bring the same sentiments of praise and thanksgiving of Mary to the Lord, her faith and her hope, her docile abandonment in the hands of Divine Providence. May we imitate her example of readiness and generosity in the service of our brethren. Indeed, only by accepting God's love and making of our existence a selfless and generous service to our neighbor, can we joyfully lift a song of praise to the Lord.”
